Our Mission

To change the way that regional communities tell their stories and get the news of the people out to the world.

The Village Voice has fast become the favourite weekly paper of the Lithgow region.

Launched in March of 2014 the Village Voice is now the most widely read weekend paper in the Lithgow Region with over 3500 copies being distributed via our pickup locations.

Our formula of focusing on community generated news allows us to create a publication our readers love and keeps down the costs for our advertisers.

We also have over 1000 online subscribers who view the Village Voice online every single week and a social media reach in excess of 2500 people and growing.

2018 Pricing

For 2018, the Village Voice is moving to a positional rather than financial discounting model.

Traditionally, we have offered discounts for long term campaigns, however as our publication has grown, we will now be offering guaranteed position in the paper rather than financial discounting as incentive for medium term campaigns.

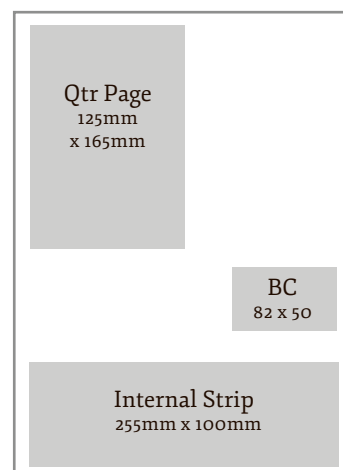

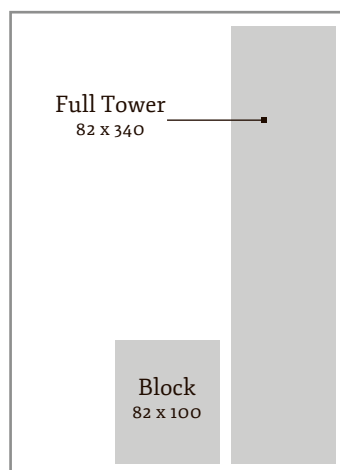

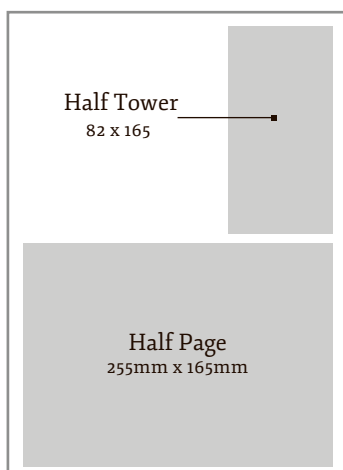

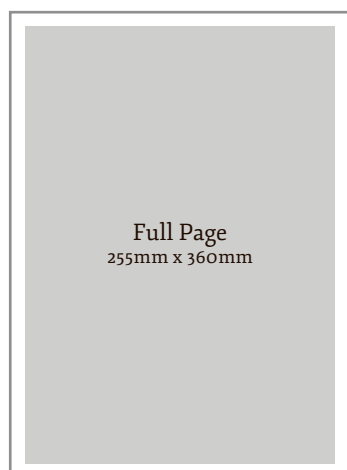

Some of the most popular positions in the paper have up until now been locked in long term, this will be changing in 2017.

Long term (12 month) contracts can still attract financial discounting, please check with us to see what we can do to assist.

Deadlines: Bookings - 3pm Tuesday; Materials - 3pm Wednesday; Approval - 3pm Thursday; Editorial - 3pm Wednesday
All prices are excluding GST. Prices subject to change without notice. Prices exclude Agency Commissions.
Our payment terms are 7 days from date of invoice. Current as at 01 January 2018
